TOWN WARRANT

To the Inhabitants of the Town of Stratford qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in the village of North Stratford on Tuesday, the tenth day of March, 1936 at 10.00 o'clock in the forenoon to act upon the following subjects:

1. To elect a Clerk for the ensuing year.
2. To elect a Treasurer for the ensuing year.
3. To elect two Auditors for the ensuing year.
4. To elect one Selectman to serve for three years and all other necessary town officers.
5. To see if the Town will vote to continue the services of a Public Health Nurse and to raise money for the same.
6. To see what sum of money the town will vote to raise for highways and bridges, town maintenance and state aid highway construction.
7. To see what sum of money the town will vote to raise for Town Libraries, Cemeteries, Town Expenses, Memorial Day, Sewers, Street Lighting, Retirement of Water Bonds and Hydrant Service, and any other money for town purposes.
8. To see if the town will vote to adopt the provisions of the Municipal Budget Act.
9. To see if the town will authorize the selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.
10. To see if the town will authorize the Selectmen to pledge the credit of the town to raise funds in anticipation of taxes when it is found necessary for the payment of obligations.
11. To hear the reports of Agents, Auditors, Officers and Committees heretofore chosen and pass any vote relative thereto.

Given under our Hand and Seal at Stratford,
this 18th day of February, A. D. 1936.

BUDGET

In order that the taxpayers may get a better understanding of the school finances, we are again showing actual receipts and expenditures for last year, proposed expenditures for the present year and an estimate for the year beginning July 1, 1936.

It must be borne in mind that the figures for 1935-36 and 1936-37 are estimates. It is extremely difficult, if possible, to look ahead for eighteen months and predict just what may come up in that time to create an extra expense. However, the estimates are carefully made and the amounts are expected to meet all regular needs.

As a part of our report, we are including the report of the superintendent of schools.

You will notice in the above estimates of expenses for the year 1936-37 that we are asking for the same appropriation as one year ago—\$17000.00.

Respectfully submitted,

LESLIE E. BARNETT,

MADGE FULLER,

School Board.

SUPERINTENDENT'S REPORT

To the Members of the Stratford School Board:

I have the pleasure to submit for your consideration my second annual report of the schools.

At the opening of the schools in September, we had but two new teachers; namely, Miss Doris E. Gray who has the first grade at North Stratford and Ruth Crozier who has the primary room at the Hollow.

The department of Domestic Arts has been extended this year under the George-Ellzey Act to include the junior and senior divisions of the high school. I hope that we may be able to continue the same course for another year but it may be impossible with our present teaching force.

Athletics have been active throughout the year. The town hall has been changed so that children have a comfortable place in which to play basketball with a chance for showers at the close of the game. The school is a member of the White Mountain Basketball League and has played some very good games.

The instrumental music has been under the same efficient instructor as in the past several years—Mr. Gardner E. Wentworth. The singing in the grades and the high school has been in charge of the regular teachers. This is accomplished by exchange of classes. Misses Gray and Walbridge deserve special mention as they have done the major part in the instruction in singing. I think that the results have been satisfactory to all concerned.

Practical Mechanics was introduced this year in grades nine and ten. Some very satisfactory results have been accomplished. To meet the requirements for the course, some new equipment had to be purchased. Some of the units covered in this course are as follows: Automobile Mechanics, Soldering, Plumbing, Special Woodwork, Practical Electricity, Cold Metal Work, General Repairs, Sheet Metal Work and Concrete Work.

The school has again joined the debating league sponsored by Bates College. Special effort is being made to develop this phase of school life. The value of the training cannot be measured at the present time as it is a long forward look.

On the recommendation of the State Motor Vehicle Department and the State Board of Education, a course in automobile driving was conducted in the high school. There were thirty-four students who registered for the course. I understand that a similar course may be offered this year.

A small quantity of milk is to be furnished for a short period this year by the government. It amounts to about thirty per cent of what was supplied last year.

It was necessary to purchase quite a good many books in English this year, also some in history. We are in need of more reference books but those are to be added from time to time.

A new stove and some desks were purchased for East Stratford school. The steps at the Hollow School had to be made over as the others had rotted so that they were not safe. I do not think of any special repairs that are needed for the coming year. The school buildings seem to be in good condition.

I am not touching on the finances of the district as you have covered all that is necessary in your report and recommendations.

I wish to thank you for your co-operation and assistance in carrying on the work of the school district.

Respectfully submitted,

ALONZO J. KNOWLTON,

Superintendent.
